**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

The references cited on the attached form PTO-1449 are being called to the attention of the Examiner. The references were cited in a Supplementary European Search Report dated May 8, 2006 for European Patent Application No. 99927341.0, which corresponds to U.S. Patent App. No. 09/093832, on which the above-referenced application relies for priority under 35 USC 120. Copies of the references are enclosed.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is made that a search has been conducted or that this statement encompasses all possible relevant information.

Applicants believe that no fee is required for submission of this statement because each item of information contained in the information disclosure statement was first cited in the Supplementary European Search Report in the counterpart foreign application not more than three months prior to the filing of the information disclosure statement. However, if a fee is required, the Commissioner is authorized to charge any fees or credit any overpayment to Deposit Account No. 03-0177 referencing Docket No. 100/03021.

Respectfully submitted,

/Donald R. McKenna/
